HPE Partner Ready NonStop Business Implementation

Gerhard Schwartz

October 2016

AllianceOne Partner Program
(ended August 2016)

**HPE Partner Ready
Technology Partner Program**

Why the New Technology Partner Program? We listened to you

– Faster time-to-market

– Increased revenue and market share

– Easier to navigate and engage with HPE

– Consistent and predictable partner experience

– Ability to grow and expand partnership

Value Proposition: Prior → New

HP AllianceOne

Not designed for revenue enablement

Porting & migration for developers to HP platforms

Unstructured, inconsistent partner experience across disparate programs

'Siloed' technology focused programs

HPE Partner Ready Technology Partner Program

Core design tenet around revenue enablement

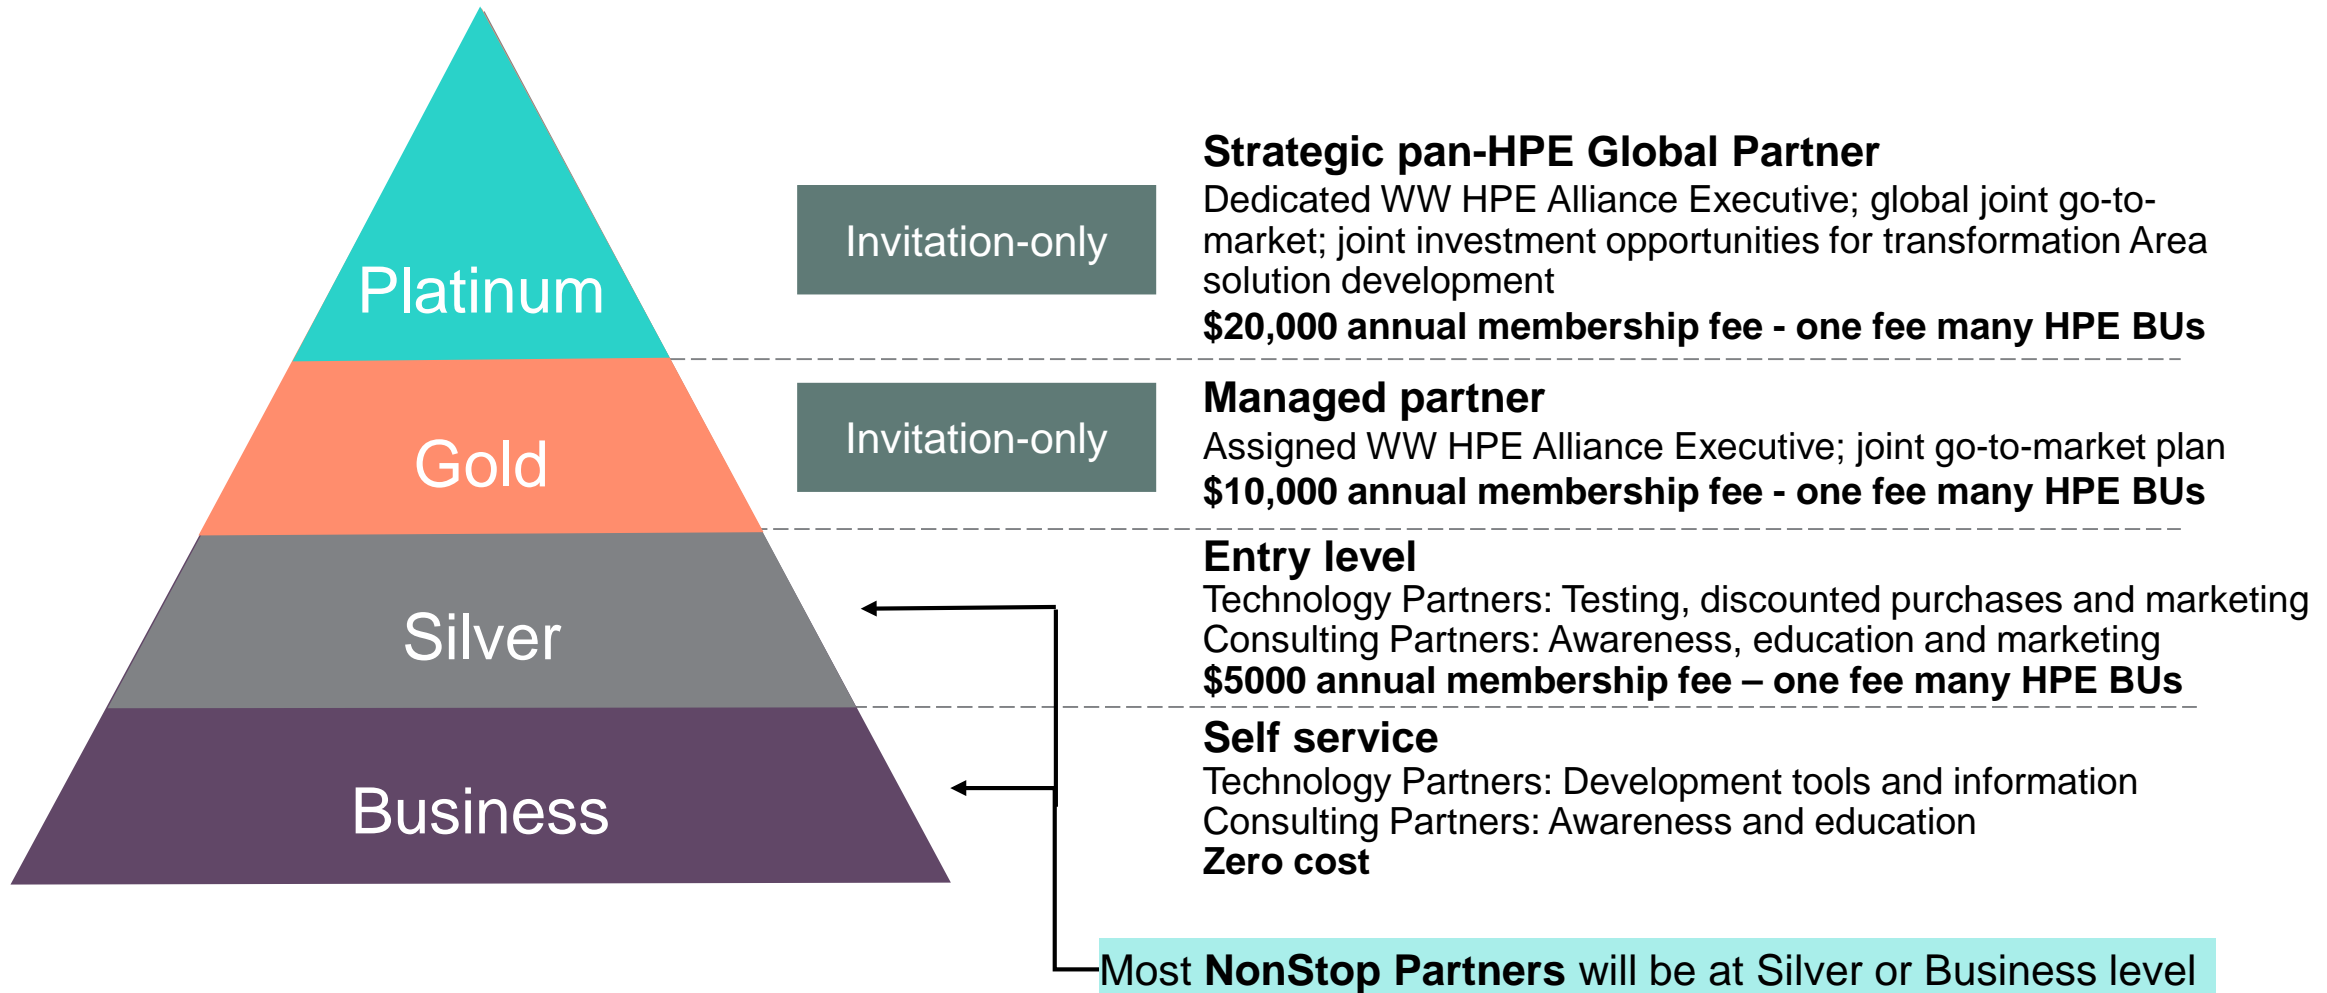

Product integration & solutions development and enablement

Pan-HPE programs with a predictable partner experience

Leverage unified program framework to maximize value of the partner ecosystem

HPE Partner Ready for Technology and Consulting Partners

Four partnership levels

HPE Partner Ready – NonStop benefits

Silver Level includes all Business Level requirements and benefits plus additional benefits

Silver
