THE NONSTOP TECHNICAL BOOT CAMP EUROPEAN EVENT 2020

This year, it's an all digital experience!

No travel No masks No risk

Just some of what you can expect

November 16th – 18th, 2020

- LIVE talks on all aspects of NonStop from hardware to software by experts framed for the European audience
 - LIVE customer presentations - learn from the experiences of the others
 - A large on-demand library where you can play or replay talks and demos at your leisure
 - Sessions with NonStop experts to answer your questions
 - Developer chats – talk directly to the people who made and support the product
 - Find out what's new from your favorite NonStop partner company
 - Connect with your friends and contacts in virtual chat rooms
-

Brought to you by
